CONFIDENTIALITY AND PROCESSING OF PERSONAL DATA (“GDPR”)

FSC Italy (the official organizer of the contest) is obliged to keep the information, data, and documentation relating to the participants, of which it will become aware during the organization and implementation of the contest FSC Furniture Awards 2021, confidential and will not disclose it to third parties, or use it, directly or indirectly, for reasons not strictly related to the organization and implementation of the contest. By participating in the contest, the companies agree to transfer all rights relating to the publication and communication of both the product and the participant's name to FSC Italy free of charge. Failure to consent to the processing of personal data by candidates leads to exclusion from the contest. FSC Italy will keep the received information about the company's sales data confidential and will not publish it, rather it will be kept internally. The personal data provided for participation in the contest will be used exclusively for this purpose in compliance with the privacy legislation and EU Regulation 2016/679 ("GDPR"). The processing of personal data will take place through manual, IT and telematic tools, however suitable to guarantee the security and confidentiality of the data themselves. The collection and processing of data takes place in compliance with the principles of lawfulness, correctness, transparency, relevance, completeness and not in excess of the purposes for which they are collected and the legal bases of the processing mentioned above. The personal data may be communicated to the members of the Committee, who will undertake GDPR Regulation. Participants have the right to access their data, to request their correction, integration, and any other rights contemplated in art. 15 to 21 of the GDPR.
